Dear Examiner:

20

21

I petition to make application for patent on behalf of Norman Ken Ouchi (Dr. Ouchi), an inventor of the subject matter contained in the above-identified application.

22

23

24

Attached is an inventor's declaration that I signed on behalf of the Dr. Ouchi under 37 CFR 1.64

25 (Attachment A).

26

27

Solectron Corporation (Solectron) granted authority to me to sign the inventor's declaration and

act on its behalf as attorney on the application (Attachment B).

29

30

Solectron employed Dr. Ouchi at the time the invention was made and has proprietary interest as follows:

1				
2	On July 3, 1992, Dr. Ouch	i executed an employment agreement, which includes an		
3	agreement to assign to So	lectron all rights, title, and interest to inventions made,		
4	conceived, or developed w	hile employed with Solectron (Attachment C).		
5				
6	While employed at Solectr	on, Dr. Ouchi made the invention of the application as stated		
7	in the Statement of Robert	Moli (Attachment D).		
8		•		
9	Dr. Ouchi stated he would throw a	any application sent by Solectron in the garbage as stated in		
10	the Statement of Robert Aeschliman (Attachment E).			
11				
12	On November 7, 2001, I sent a co	py of the completed application along with an inventor's		
13	declaration to Dr. Ouchi to his last known address by Federal Express (Attachment D).			
14				
15 .	Dr. Ouchi's last known address is 20248 Viewcrest Ct., San Jose, CA 95120			
16				
_. 17	Dr. Ouchi has not replied to my November 7, 2001 letter.			
18				
19	Solectron must file the application on behalf of Dr. Ouchi in view of his refusal to preserve the			
20	rights of the parties or to prevent irreparable damage to Solectron.			
21				
22	Attached is a check in payment of the fee required under 37 CFR 1.17(h).

EXEMPT EMPLOYEE PROPRIETARY, INFORMATION AGREEMENT

As an employee of Solectron Corporation, a Gallfornia corporation (the "Company"); and in consideration of the compensation now and hereafter paid to me, I agree to the following:

Maintaining Confidential Information

- a. Company Information. I agree, at all times during the term of my employment, and thereafter to hold in strictest confidence, and not to use, except for the benefit of the Company, or to divulge or disclose, directly of Indirectly, to any person, corporation or other entity, without written authorization of the Board of Directors of the Company, any trade secrete, confidential knowledge, data or other proprietary information (collectively referred to as "Confidential Information") relating to products; processes, know-how, designs, formulas, developmental or experimental work; computer programs, data bases, other original works of authorship, customer lists, business plans, financial information or other subject matter pertaining to any business of the Company or any otits clients, consultants or licensees.
- Former Employer Information. I agree that I will not, during my employment with the Company, improperly sue or disclose any proprietary information or trade secrets of my former or concurrent employers or companies, if any, and that I will not bring onto the premises of the Company any unpublished document or any property belonging to my former or concurrent employers or companies, it any, unless consented to in writing by said employers or companies.
- Third Party Information. I recognize that the Company has received, and in the future will receive, from third parties their confidential or proprietary information, subject to a duty on the Company's part to maintain the confidentiality of such information and joruse it only for bertain limited purposes. I agree that I owe the Company and such third parties, during the term of my employment and thereafter, a duty to hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or porporation (except as necessaily in carrying out my work for the Company consistent with the Company's agreement with such third party) or to use it for the benefit of anyone other than for the Company or such third party (consistent with the Company's agreement with such third party) without the express written authorization of the Board of Directors of the Company.

Betaining and Assigning Inventions and Original Works.

- Inventions and Original Works Retained by Mest have attached heretogas Exhibit A, a list describing all inventions, original works of authorship. developments, improvements, and trade secrets which were made by me prior to my employment with the Company, which belong to me, which relate to the Company's proposed business and products, and which are not assigned to the Company; or, if no such list is attached, if represent that there are no such Inventions.
- b. Inventions and Original Works Assigned to the Company. Fagree that I will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and will assign to the Company all my rights, title, and interest in and to, all inventions, discoveries, improvements, rechnology, trade secrets, computer programs, know-how, designs, formulas, original works of authorship, or any other confidential materials, data information or instructions, technical or otherwise, and whether or not pateritable or copyrightable (collectively reterred to as "Inventions") which I may solely or jointly conceive or develop, or reduce to practice, or cause to be conceived or developed, or reduced to practice, during the period of time I am? In the employ of the Company. I racognize, however, that Section 2870 of the California Labor Code (as set forth in: Exhibit B, hereto) exempts from this provision any invention that (i) I develop entirely on my own time, (il) does not relate to the business, research or development of the Company, or does not result from any work performed by me for the Company, and (lii) does not involve equipment, supplies, trade secret information or the use of the facilities of the Company.
- I acknowledge that all original works of authorship which are made by me (solely or jointly, with others) within the scope of my employment, and which are protectable by copyright, are works made for hire," as that term is defined in the United States Copyright Act (17 USCA, Section 101).
- c. Maintenance of Records. I agree to keep and maintain adequate and current written records of all inventions made by me with the company. The records will be in the form of notes, sketches, drawings, and any other format that may be specified by the Company. The records will be available to and remain the sole property of the Company at all-times.
- d. Inventions Assigned to the United States: I agree to assign to the United States government all my rights, title, and interest in and to, any and all Inventions, original works of authorship, developments, improvements or trade secrets; whenever such full title is required to be in the United States by a contract between the Company and the United States or any of its agencles.
- e. Obtaining Letters Patent and Copyright Registrations: Lagree that, whenever requested by the Company, I shall assist the Company in obtaining United States or foreign letters patent and copyright registrations, as the case may be, covering inventions assigned hereunder to the Company, and I shall execute any patent or copyright applications, or such other documents considered necessary by the Company of its counsel, to apply for and obtain such letters and the grown of the state of the same of patent or copyrights.
